Subject: Welcome Peninsula Division Officers 2018-19!!

Executive Committee of the Peninsula Division:

Good to see many of you in Long Beach last week! It was a stimulating Annual Conference and a reminder of the value that locally elected officials provide to the public throughout the state of California. As Officers, you are responsible for helping the Division realize its full potential – both in terms of engaging member cities and advancing Division priorities through advocacy. Below are a couple of links to help us reach our potential, a blurb reminding us to take action to oppose Prop 6 and a SAVE THE DATE for 10/20/2018 at Facebook in Menlo Park. A Division Update with suggested dates for the Officer Retreat (the week of October 15th), Legislative Action Committee activities and other key dates will be circulated later this month.

Please don't hesitate to contact me with questions or concerns.
