Subject: 1135 East Arques Use Permit Consideration BMI Imaging Sunnyvale Planning

Hi Cindy,

Nice talking to you the other day. I understand the Planning Department meeting regarding 1135 East Arques was put off until January or later (is there currently a scheduled hearing?) -

We want to submit for your consideration that BMI Imaging Systems is a longstanding owner/occupant of 1115 East Arques Ave. (1986). We believe that the proposed use permit for Escape Rooms at 1135 Arques Ave. should not be approved without provisions that guarantee there will be no adverse impact on the security of our facility and the safety of our employees. Specifically, we believe Escape Rooms should provide positive assurance that, at the risk of their use permit, they and their employees, clients, or vendors will not access our parking areas or property for any reason at any time.

If you would like to discuss this, please give us a call.

Regards,

Bill Whitney
