

USE PERMIT/SPECIAL DEVELOPMENT PERMIT JUSTIFICATIONS

One of the two following findings must be made in order to approve a Use Permit or Special Development Permit application.

The Sunnyvale Municipal code states that at least one of the following two justifications must be met before granting the Use Permit or Special Development Permit. Please provide us information on how your project meets at least one of the following criteria.

1. The proposed use attains the objectives and purposes of the General Plan of the City of Sunnyvale as the project ...

The proposed use is to maintain all the existing structure and meet the general plan requirement of the city of Sunnyvale. The tenant improvement is limited on the existing shopping center, to convert the retail store to the dance studio, to replace a panel of window to a exit door per fire department req. the entire building and use will remain no change.

OR

2. The proposed use ensures that the general appearance of proposed structures, or the uses to be made of the property to which the application refers, will not impair either the orderly development of, or the existing uses being made of, adjacent properties as ...

If you need assistance in answering either of these justifications, contact the Planning Division staff at the One-Stop Permit Center.
