

Parking Management Plan

946 Billiards
946 El Camino Real
Sunnyvale, CA 94047

Proposed Use: 7,200 square foot billiard hall consisting of 26 regulation pool tables and 1 regulation Snooker.

Parking Summary: On-site parking consist of 37 parking spaces. Parking study conducted by Hexagon Transportation Consultants determined a peak parking demand of 34 parking spaces.

Parking Management Plan:

1. Require employees to park in the rear parking lot area near the southeast corner and allow the remaining parking spaces closest to the building for customers.
2. Provide valet parking from 9:00PM-1:00AM on Friday and Saturday nights.
3. Designate staff employee to monitor and log parking lot inspection every 30 minutes.
4. Respond to complaints in a timely fashion and work with neighbors on amenable solutions.

Parking Security:

1. Install additional security lights and cameras in the rear parking lot area.
2. No loitering signs will be visually displayed.
3. Designate staff employee to monitor and log parking lot inspection every 30 minutes
