GENERAL BUSINESS

- 2** [19-0388](#) Discuss and Advise on Outreach Efforts

Committee Member Jodi Marvet arrived at 6:13 p.m.

Questions/comments:

- Will City give Council district options?
 - How do we better reach people online?
 - Could Peach Jar be used to connect to school parents? (Reid may have contact.)
 - Sunnyvale Democratic Club will host a meeting focusing on CVRA/districts at May meeting
 - Monterrey City FAQ page is a good example
 - Shredding events at SMART station (ask staff if flyers can be passed out) – Prakash can volunteer
- 24X36 poster

Discussion:

Giri suggested City connect with Sunnyvale Alliance Soccer – as picture day could be a good opportunity for a pop up. He committed to sending contact information for organizer (Sandra Todd).

Myers suggested swim meets and school events could also be good opportunities for pop ups.

Public Comment:

Linda Davis

- How many respondents to the online survey and how many created a log in?
- See a lot of information about City's Climate Action Playbook online but not as much about CVRA/District elections. Need to see more information and advertising on this issue online.

Serge Rudaz

- Is there a public meeting on April 10th at the Heritage Museum? Has not seen this advertised on City channels.

Discussion continued:

- There were 40+ online surveys completed online as of March 27th.
- Commissioner Park arranged for me to do a presentation at a Heritage Museum meeting on April 10th. This is a community meeting being organized by the Heritage Museum and not a City public meeting. It is therefore, not on our list of pop-ups or workshops.
