

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

Based on an Initial Study, the staff of the City of Sunnyvale Department of Public Works determined that the project described below, with incorporated mitigation measures, would not have significant adverse impacts on the environment. A Mitigated Negative Declaration (MND) has been prepared for the project.

PROJECT TITLE: Washington Community Swim Center

PROJECT DESCRIPTION AND LOCATION: The project site is located at 255 S. Pastoria Avenue (APN 165-11-001) in Sunnyvale, California. The proposed project would redevelop the existing pool facility, including demolition of the existing swimming pool, pool deck, and existing structures. The project would include a new sport pool with teaching area, a multi-purpose building, a locker room building, a pool equipment and park maintenance building, a main entry plaza, a splash pad, partially shaded outdoor seating areas and a picnic area. Access to the new pool equipment building for servicing will be provided from the existing parking lot. Relocation of the existing horseshoe pits within Washington Park will be considered as well as lighting for the pool and deck area. Other improvements to the existing park are not anticipated.
