Hi Russ -

I re-appointed you to the Rev and Tax policy committee to represent the Peninsula Division for the LCC. I'll check in to see when the official appointment letters will be sent but as far as I know your appointment was not contested.

Thank you for continuing to serve the Peninsula Division in this capacity.

Hi Marico, you may have heard that Sunnyvale Council annually ratifies the inter-governmental assignments (including LCC policy committees) of each of the Councilmembers. If you can let me know about reappointment to the Rev & Tax policy committee. An email confirmation would be great for the Sunnyvale Council meeting Dec 3 if an appointment letter by that date isn't in the cards. Thanks, Russ
