Born in 1948, I started to learn about art at a very early age, playing with colors and art materials in my father's Art Design and Restoration studio.

In 1963, I was accepted in the Fine Arts High School N. Tonitza in Bucharest, Romania where I studied art techniques including drawing, painting, graphics, engraving, sculpture, fresco, mosaic and ceramics.

After finishing the Fine Art High School, I attended the University of Bucharest Art Institute, graduating in 1974 with a Master's degree in Graphic Arts Design.

Since 1980 when I relocated to California, I worked as a Graphic Designer and Art Director in the San Francisco Bay Area until 2002 when I retired from the corporate world and started Adrian Litman Art & Design Studio. I create an eclectic body of commissioned art pieces for Civic Public Art, Corporate and private clients, including custom paintings, murals, frescoes, mosaics, sculptures, stained glass panels, fountains and wall treatments, all of which facilitate the harmonious integration of art with architecture.
