

Sunnyvale

Fair Oaks Park Public Art Design Proposals

Kristin Dance and Trenton Hill
City Council
Feb. 25, 2020

Sunnyvale

Art in Public Places Program

(Council Policy 6.4.4)

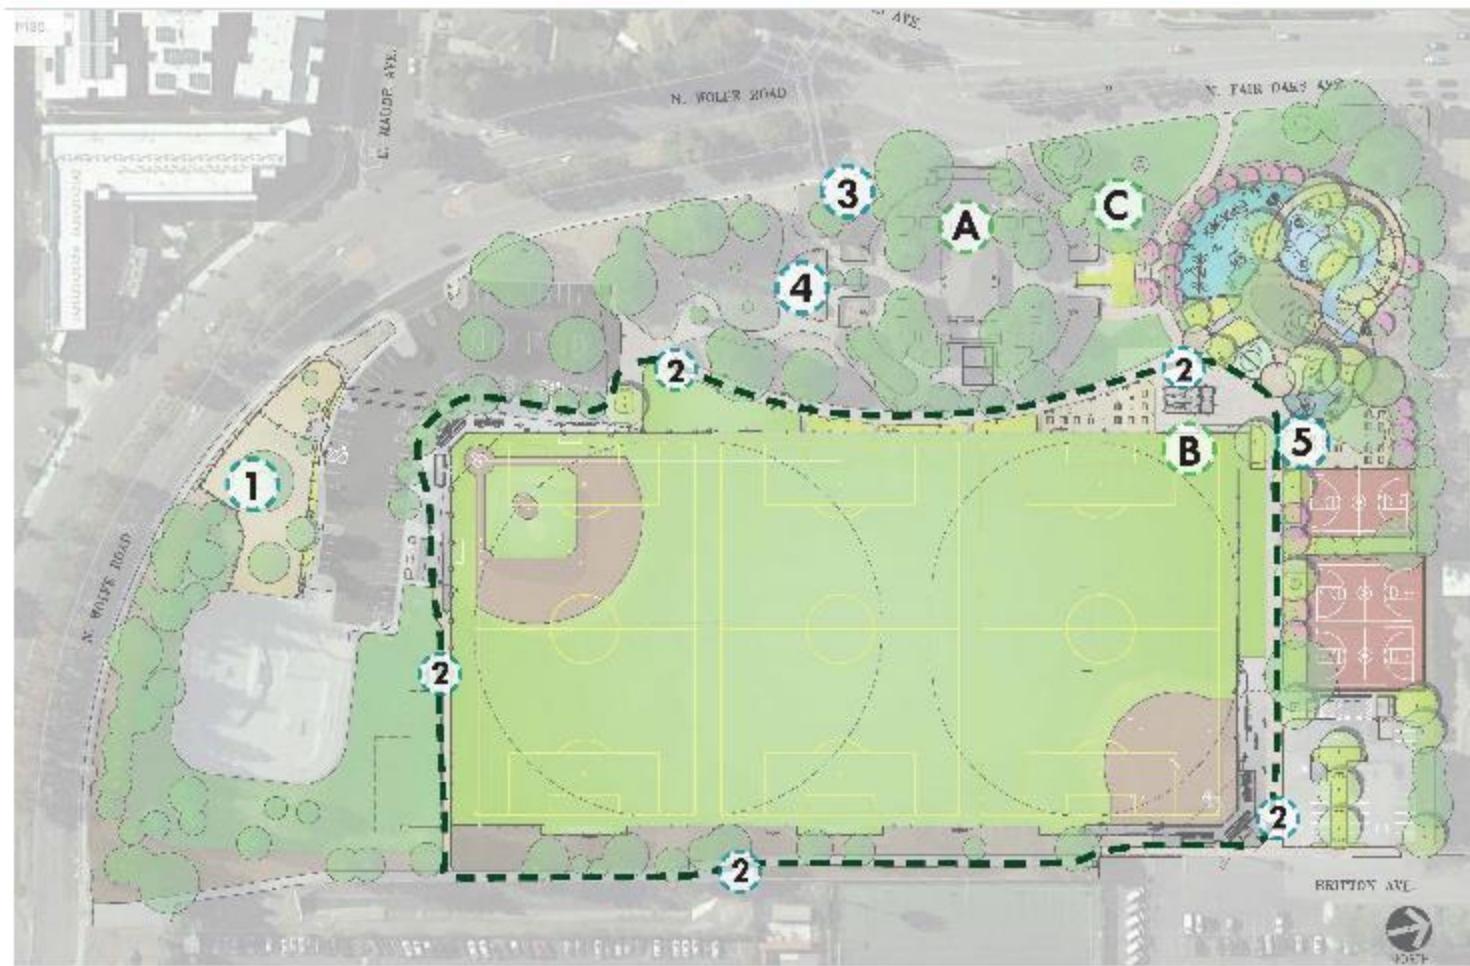

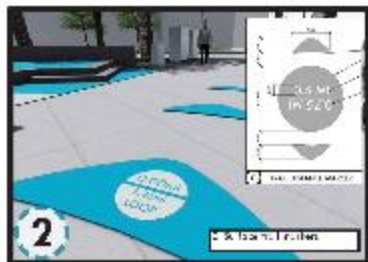

- Public art required on municipal projects over \$1,000,000
- 1% of the project valuation required
- Most recent public art project: Murphy Park Renovation in 2015

Sunnyvale

Art in Public Places Process

- Locations for public art identified
- RFQ for artists distributed
- Selection committee convened to review and develop short list of artists (2-5)
- Preliminary design concepts developed
- Arts Commission review and ranking/recommendation
- City Council review and approval

ART OPPORTUNITIES AT FAIR OAKS PARK

340 NORTH FAIR OAKS AVENUE, SUNNYVALE, CA 94085

Faducci

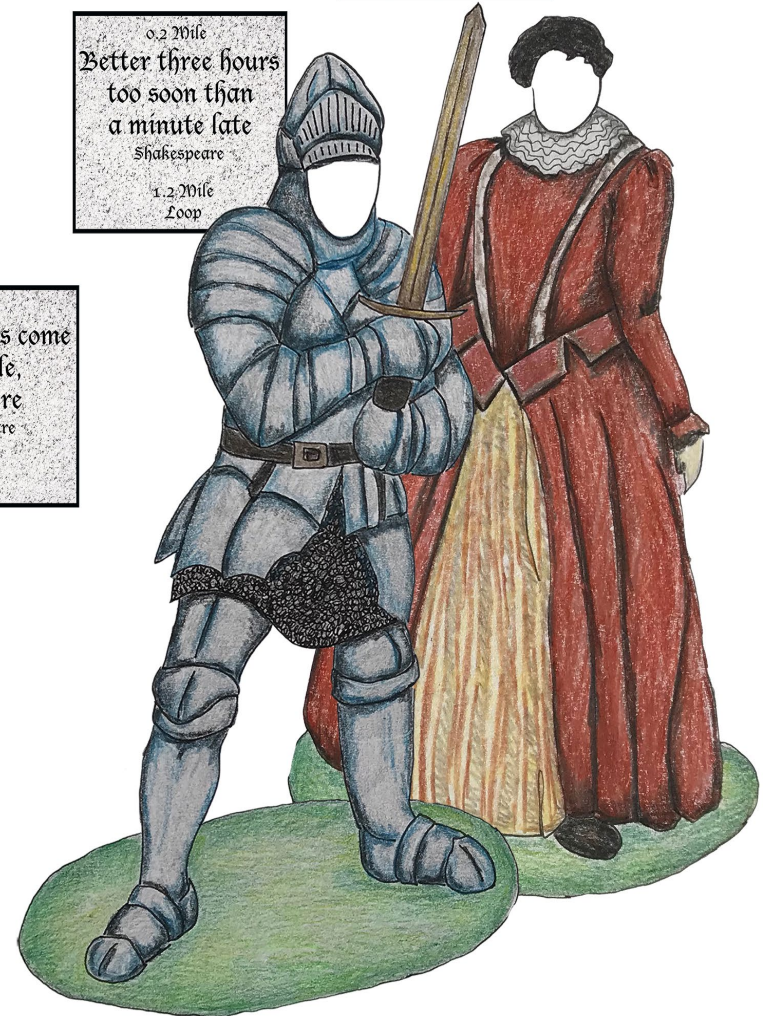

0.0 Mile
 All is well
 that ends well
 Shakespeare

Nature's Partners
Pollinators, Plants, and People

With the loss of all flowering plants, the presence of insects, and the presence of many pollinating species is decreasing. Nature's Partners provides the community about and helps through engaging activities, including in a public space project.

Donated by the community of artists from the community.

Sunnyvale

Arts Commission Ranking January 15, 2020

1. James Moore

The Arts Commission favored James Moore's design for this all-inclusive playground because it represents many sports and is all-inclusive art.

2. Cork Marcheschi

3. Vickie Jo Sowell

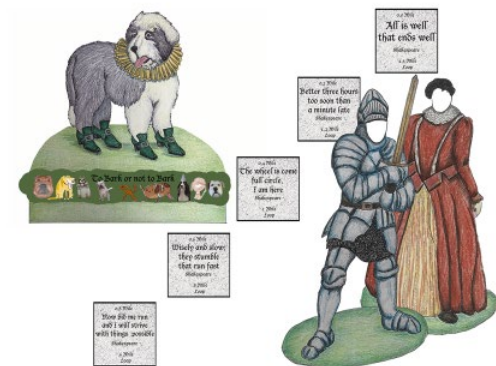

(tied with)

3. Archie Held

5. Faducci

Faducci Proposal for Fair Oaks Park

No Staff Recommendation

- Commission ranks proposals and develops a recommendation to City Council for final approval
- The proposed designs meet public art requirements

Next Steps

- Approved design further developed to meet the Art in Public Places guidelines within allocated budget
- Final design presented to the Arts Commission and City Council as informational item at a future date
