19.28.010. Downtown ~~s~~Specific p~~Plan~~ ~~d~~District established.

A zoning district entitled “Downtown Specific Plan ~~District~~-(DSP)” district is established as shown on the official precise zoning plan, zoning district map, city of Sunnyvale, on file in the office of the city clerk and incorporated by reference. ~~(Ord. 2735-03 § 4).~~

19.28.020. ~~Findings and purpose~~Purpose and findings.

(a) ~~The city council makes the following findings~~It is the purpose of the provisions of this chapter to support implementation of the DSP and:

- ~~(1) Encourage high-quality, high-intensity development adjacent to public transportation corridors;~~
- ~~(12) Create a vibrant and interesting city center which includes the concentration of many activities vital to sustaining the economic strength, regional prominence, and visual image of the city;~~
- ~~(23) Encourage high-quality, high-intensity development adjacent to public transportation corridors;~~
- ~~(3) Create employment and housing opportunities in an urban downtown setting and will provide a center for social interaction for residents of the city; and~~
- ~~(4) Create~~Support community goals and values by supporting intensity—development incentives for developerscommunity benefits who utilize sustainable development techniques.Implementation of the downtown specific plan will provide a vibrant and interesting center which includes the concentration of many activities vital to sustaining the economic strength, regional prominence, and visual image of the city.
- ~~(2) Implementation of the downtown specific plan will create employment and housing opportunities in an urban setting and will provide a center for social interaction for residents of the city.~~

(b) ~~The city council makes the following findings that implementation of the downtown specific plan will:~~It is the purpose of the provisions of this chapter to:

- (1) Protect and promote the public health, safety, peace, comfort and general welfare;
- (2) Establish the procedure for adoption of the orderly physical development of the district;

- (3) Conserve property values and maintain the historic architectural and cultural qualities of properties within the district; and
- (4) Protect the character and stability of adjacent residential neighborhoods;
- ~~(5) Define the development procedures and administrative requirements for the district. (Ord. 2735-03 § 4).~~

19.28.030. Compliance with the Downtown sSpecific pPlan-generally.

The ~~DSP downtown specific plan~~ is incorporated by this reference. The specific plan includes architectural and downtown design guidelines, site development standards and planned public parks and other facilities which will be implemented through zoning and subdivision regulations, development standards, design guidelines, public and private improvements and an economic development strategy. All planning related activities within the DSP shall comply with both the provisions of the Sunnyvale Municipal Code and the DSP. (Ord. 2735-03 § 4).

19.28.040. Downtown Specific Plan Rregulations generally.

(a) The regulations contained in this chapter shall apply in the DSP ~~downtown specific plan~~ district, in conjunction with the standards, guidelines, and plans contained in the DSP document.

(b) Whenever this chapter does not provide specific standards and/or procedures for the review, approval and/or administration of development projects within the DSP district or for appeals concerning approvals or administration of development projects, the standards and procedures contained in ~~Title 19~~this code shall apply.

(c) The owner or occupant of land or buildings used for any purpose in the ~~downtown specific plan~~DSP district shall provide the facilities as required by and which conform with the regulations set forth in this chapter; provided however, that buildings, structures or uses lawfully constructed or established prior to the effective date of this chapter which do not comply with the provisions hereof shall be deemed legally nonconforming in accordance with the provisions of Chapter 19.50 (Nonconforming Buildings and Uses). ~~(Ord. 2735-03 § 4).~~

19.28.050. Downtown sSpecific pPlan blocks—Designated primary uses and development intensities.

The downtown specific plan district is divided into subdistricts, referred to as “blocks.” to further refine development requirements within the DSP area, as set forth in the DSP document. The location and configuration of the blocks are shown in Figure 5-1 of the DSP and on the precise zoning plan. The designated primary uses, maximum total number of residential units or commercial and office gross floor area for each block are listed in Table 19.28.050 (Designated Primary Uses and Development Intensities in DSP Blocks). The maximum number of units per lot shall be a pro rata share of the maximum units for the block based on the proportion of lot area to total block area.

19.28.060. Single-family uses and structures.

- (a) Single-family uses on existing, legally created lots may be maintained in all blocks.
- (b) Additions to or new construction of single-family dwellings on existing, legally created lots are subject to design review provisions in Chapter 19.80.
- (c) Single-family dwellings and accessory structures must comply with applicable development standards for the R-0 District. (Ord. 2907-09 § 4; Ord. 2735-03 § 4).
- (d) Accessory dwelling units in conjunction with an existing or proposed single-family dwelling or an existing multifamily dwelling structure shall meet the provisions of Chapter 19.79.

19.28.070. Permitted, conditionally permitted and prohibited uses in mixed use, commercial and office DSP blocks.

(a) Use Table. Table 19.28.070 sets forth those uses which are permitted, conditionally permitted, and prohibited in mixed use, commercial and office DSP blocks and the type of approval a use requires.

(1) Permitted (P). A use shown with “P” in the table is allowed subject to compliance with all applicable provisions of this title. If the proposed use includes new construction, changes to the exterior of a building or other site modification, design review is required in accordance with the provisions of Chapter 19.80, Design Review.

(2) Miscellaneous Plan Permit (MPP). A use shown with “MPP” in the table requires the approval of a miscellaneous plan permit, in accordance with the provisions of Chapter 19.82, Miscellaneous Plan Permit. If there is an existing valid miscellaneous plan permit for the use, and no new construction or expansion is proposed, then such use may be conducted without requiring another miscellaneous plan permit.

(3) Special Development Permit (SDP). A use shown with “SDP” requires approval of a special development permit, in accordance with the provisions of Chapter 19.90, Special Development Permit, whichever applies. If there is an existing valid use permit or special development permit, and no new construction or expansion is proposed, then such use may be conducted without requiring another use permit or special development permit.

(4) Not Permitted. (N). A use shown with “N” in the table is prohibited.

(b) **Compliance.** It is a violation of this chapter to:

- (1) Engage in a use that is conditional without complying with the imposed conditions;
- (2) Engage in a prohibited use;
- (3) Engage in a use requiring a miscellaneous plan permit, use permit or special development permit without

obtaining the required permit.

(c) Heritage Resources. Requirements for Construction All permitted uses which require no new construction or additions or changes to the exterior of the building may be conducted within existing enclosed buildings. New construction or additions to any use, other than a single family home requires a special development permit as set forth in Chapter 19.90, except that Block 2 (commercial historic) also requires a landmark alteration permit as set forth in Chapter 19.96 Minor changes to the exterior of a building for either approved or permitted uses may be approved by the director of community development through a Miscellaneous Plan Permit (MPP) as set forth in Chapter 19.82. Changes to any heritage resource or to a property within a heritage district may require a landmark alteration permit or resource alteration permit as set forth in Chapter 19.96.

Each lot in each block shall conform to applicable provisions for frontage, interior side and rear setbacks, as set forth in Tables 19.28.100090(a) through (e). Development projects must also comply with block-specific site development standards in the DSP document and other applicable provisions of the Sunnyvale Municipal Code including required facilities in Chapter 19.38. Additional development potential and building height are possible through the use of local and state density bonus programs or through provision of community benefits, identified in Section 5.1.3 of the DSP. For blocks where the allowable lot coverage is indicated as “Per SDP” means that lot coverage shall be evaluated on a project-by-project basis through the special development permit process. Covered porches, stoops, and stairways may extend up to six feet into any required front yard.

~~19.28.110. ——— Downtown specific plan — Landscaping and useable open space areas.~~

~~— (a) Landscaping and useable open space standards apply whenever landscaping is installed on any unlandscaped lot or in connection with new construction, replacement or expansion in floor area of any structure in the downtown specific plan area.~~

~~— (b) All public rights of way, private streets or driveways, easements, building and structure setbacks, plazas, pedestrian walkways and parking facilities shall provide landscaping as required and described in the downtown specific plan and shall meet the landscaping design requirements set forth in Chapter 19.37.~~

~~— (c) Project landscaping shall be designed and planted to be consistent with the streetscape design themes and landscaping provisions set forth in the downtown specific plan streetscape design standards.~~

~~— (d) Residential uses are required to provide useable open space, as defined in Chapter 19.37, with the following exceptions:~~

~~——— (1) Useable open space may be located in the front yard between the face of the building and the street for multifamily uses.~~

~~——— (2) Balconies with a minimum of six feet in any dimension and a total of at least fifty square feet qualify as useable open space.~~

~~— (e) Minimum landscaped areas and useable open space areas shall meet the requirements set forth in Table 19.28.110.~~

~~(Ord. 2918-10 § 2; Ord. 2735-03 § 4).~~

~~19.28.120. ——— Architectural standards.~~

~~— (a) The architectural guidelines for the downtown specific plan shall be applicable to all new development and to all redevelopment or rehabilitation involving changes to the exterior of an existing structure.~~

~~— (b) All new development shall incorporate the architectural design, features and elements found in both the general design guidelines and district specific guidelines set forth in the downtown specific plan. (Ord. 2735-03 § 4).~~

~~19.28.130. ——— Signs.~~

~~— (a) Each sign shall comply with the requirements of Chapter 19.44 and shall incorporate design elements and features recommended by the downtown specific plan, and, where applicable, the Murphy Avenue design guidelines.~~

- ~~—(b) Any sign proposed for Block 2, the Murphy Station heritage landmark district, shall require a landmark alteration permit, in accordance with Chapter 19.96.~~
- ~~—(c) Projecting signs are allowed for all nonresidential uses. Signs must meet the following specifications:~~

- ~~—— (1) A maximum of one projecting sign per public entrance.~~
- ~~—— (2) A maximum sign size of six square feet per side or two thirds of the sidewalk width, whichever is larger.~~
- ~~—— (3) The sign shall not project farther than six feet from the building facade.~~
- ~~—— (4) The bottom of the sign shall not be lower than eight feet from the ground.~~
- ~~—— (5) Signs shall be placed no higher than the lowest cornice line, or the lowest second floor opening.~~
- ~~—— (d) Block 18 shall be subject to the same sign criteria as listed in the Murphy Avenue Design Guidelines. In addition:~~
 - ~~—— (1) Projecting signs in Block 18 are allowed to exceed the maximum area regulations listed in the Murphy Avenue Design Guidelines but are to be counted towards the total square footage of sign area allowed.~~
 - ~~—— (2) Electronic changeable copy signs are allowed in Block 18. The general location, number, design, and operational details of all electronic changeable copy signs must be approved as part of the Master Sign Program for Block 18. The signs are intended for use as general downtown or project information signs, directional signs, seasonal events, Redwood Square events, etc, that are used on a limited basis. The signs may not be used by retailers as off-site signage or for advertising any products or stores. (Ord. 2881-08 § 3; Ord. 2735-03 § 4).~~

19.28.140100. Parking requirements.

- ~~—— (a) Vehicle Parking Standards. Vehicle parking requirements are listed in Table 19.28.100(a).~~
 - ~~—— (1) Other provisions. Refer to Chapter 19.46 for definitions; parking space dimensions and lot design; adjustments to parking requirements; parking management plans and tools; and any uses not listed.~~
 - ~~—— (2) Calculating required parking. When calculating required parking, any portion of a parking space shall be rounded up to the next whole number.~~
 - ~~—— (3) Parking Management Plan. New developments require a parking management plan in accordance with Section 19.46.160.~~

~~(ab) Minimum Shared Parking Requirements. The owner or occupant of land or buildings used for any purpose within the DSP district, except uses within the boundaries of a parking district created by the action of the city council, shall provide off-street parking and loading areas and facilities. Shared parking may be allowed for differing uses may be considered and is encouraged for trip reduction programs such as car sharing and other transportation demand management programs. Parking analysis will be evaluated with the application submittals for the special development permit, and a shared parking agreement or a parking management plan may be required. ~~Table 19.28.140 shows minimum parking ratios for specific land uses. Final parking requirements will be determined through project review and approval.~~~~

- ~~—— (c) For projects within the Parking District. All non-residential development projects within the boundaries of a parking district (created by the action of the city council) shall prepare a parking analysis to determine how the required parking will be provided. The analysis shall include parking provided by the parking district, parking provided onsite, and parking provided in other locations. Residential uses shall provide assigned parking for residents onsite.~~

- ~~—— (b) Multiple Family Uses. The following additional special provisions apply to multiple family residential uses:~~

~~—— (1) Unassigned Spaces. When two covered spaces per unit are provided for a multiple family residential use, the number of unassigned parking spaces per unit required may be reduced to 0.25 spaces per unit. For example, if two covered assigned spaces per unit are provided for twelve three-bedroom units, the required unassigned spaces may be reduced to three spaces, compared to twelve spaces required when only one covered assigned space per unit is provided.~~

~~—— (2) Tandem Parking. Tandem parking may be allowed for a multiple family residential use within the DSP district to satisfy covered assigned parking requirements, consistent with the tandem parking allowance guidelines set forth in the city's High Density Residential Design Guidelines. Each set of tandem spaces must be assigned to the same unit. Required unassigned spaces shall not be provided as tandem parking. Tandem parking may be allowed for any parking spaces provided in addition to the minimum number of spaces required.~~

~~—(e) Compact Spaces for Nonresidential Uses. Fifty percent of the number of compact spaces allowed and provided for a nonresidential use shall be located along the parking lot periphery and designated as employee parking. The remaining fifty percent may be interspersed throughout the parking lot.~~

~~—(d) Special Provisions for the Downtown Specific Plan. The following criteria shall apply within the boundary of the DSP.~~

~~—(1) Tandem Parking. Tandem parking may be provided for a multiple-family residential use up to 100% of the units. Each set of tandem spaces must be assigned to the same unit. Required unassigned spaces shall not be provided as tandem parking.~~

~~—(2) Minimum Unassigned Parking for Multiple-family Uses. When two assigned spaces are provided for a multiple-family residential unit (including tandem parking) the number of unassigned spaces may be reduced by twenty-five percent (25%) for each unit with more than one assigned space.~~

~~—(3) Senior and Affordable Housing. The provisions of Section 19.46.080 shall apply within the boundary of the DSP.~~

~~—(e) Loading Spaces. Loading spaces shall conform with the provisions of Chapter 19.46.~~

~~—(f) Bicycle Parking Standards. Bicycle parking requirements shall comply with the Santa Clara Valley Transportation Authority (VTA) Guidelines. Reductions or deviations from these requirements may be determined as part of the project review on a case-by-case basis in accordance with the DSP and implementing regulations. Except that the minimum number of Class II bike spaces in any location should be 2 (4-bicycle capacity).~~
