 **greatvape** Dear customers:
The City of Sunnyvale is considering a ban on flavored tobacco products, to reduce youth access to them. Tobacco products includes electronic cigarettes (vape), e-liquid (juice), cigars, little cigars, cigarillos, hookah, smokeless tobacco, and mint/menthol cigarettes. If the ban passes, it's definitely going to put Great Vape out of business. Great Vape had been here since 2013, we've always comply all laws, rules, codes the government requires us to do. We always check ID, always trying our best to make every customer happy with his or her purchase. We know the lung disease or death was caused by the Vitamin E acetate found in Marijuana / THC juice from

was caused by the Vitamin E acetate found in Marijuana / THC juice from black market; we also know that most youths were getting their products from online, because most websites have very lose age verification. People, nothing can be banned! What's better than banning one thing is to have a more enforced and practical regulation! Meanwhile most of the people who are supporting the ban are non-smoker or have never try any of the product! Please help Great Vape Sunnyvale get through over this by filling out the survey from the link provided below! Let City of Sunnyvale hear our voice and change their mind! We truly appreciate!!!
