
Section 1002. Appointments. Qualifications.

Except as otherwise provided in this Article:

The members of each board or commission shall be appointed, and shall be subject to removal, by motion of the City Council adopted by at least four affirmative votes.

No member of any board or commission shall be eligible to serve for more than two consecutive four-year terms nor shall such member be eligible for appointment to the same board or commission for two years after the expiration of the second full term for which the member was appointed and served. Any person appointed to a board or commission to fill an unexpired term of not more than two years in length shall be eligible to serve two full four-year terms upon the expiration of the unexpired term for which such person was appointed.

Any person appointed to a board or commission shall be immediately eligible, upon the expiration of their term or resignation prior to completion of their term if appointed to a different board or commission, to serve on a different board or commission. The Council shall consider whether appointment of a person on a board or commission to serve on a different board or commission is in the best interest of the City.

Unless otherwise provided, the members first appointed to boards and commissions composed of four members shall so classify themselves by lot that each succeeding July 1st, the term of one of their number shall expire. If the total number of the members of a board or commission to be appointed exceeds four, the classification by lot shall provide for the grouping of terms to such an extent as is necessary in order that the term of at least one member shall expire on each succeeding July 1st. (Amended effective December 31, 1975, May 1, 1989, November 30, 1995, December 14, 2005 and November 28, 2007)
