

Walk or Bike Instead of Driving

- ✓ Improve your health
- ✓ Help the environment
- ✓ Reduce traffic congestion
- ✓ Have fun while traveling

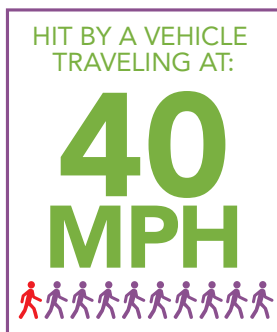

For information about transportation and traffic safety in Sunnyvale, scan the QR code or search "Transportation and Traffic Safety" at **Sunnyvale.ca.gov**

Speeding is Dangerous

The risk of injury
and death increases as
speed increases.

Only 1 out of 10
pedestrians survives

Be Alert, Stay Safe

DRIVERS — Slow down and watch for pedestrians and bicyclists, especially when turning.

PEDESTRIANS and **BICYCLISTS** — Use body and bike lights and wear bright and reflective clothing.
