STANDING ITEM: CONSIDERATION OF POTENTIAL STUDY ISSUES

Ms. El Hajj noted that this is the chance to nominate any potential study issues for

2016. She noted the previous 2013 Study Issue to updating the Murphy Avenue Design Guidelines will remain an open Study Issue for 2015.

Chair Squellati mentioned previous study issues that had been sponsored, such as the Cultural Diversity Context Statement in Sunnyvale.

Ms. El Hajj noted that this has been completed and that the context study from that Study Issue is available on the Sunnyvale Library web page as well as the Heritage Preservation Commission's web page.

Comm. Valenzuela noted the Digital Game Museum in Santa Clara and would like to see a video game museum in Sunnyvale, as the City has a historic significance in the video game industry.

Comm. Mouritsen mentioned that there is a technology room in the Sunnyvale Historic Museum that is worth visiting.

Comm. Dietrich asked the Commission if the idea is to create a new museum or to find an existing location that could be used to display some kind of video game history.

Comm. Michitaka mentioned that the new program is starting for Leadership Sunnyvale and the organization has four open positions for the Board of Directors.

Comm. Hopkins asked staff and the Commission what the recent study issue ideas were, so that she could think about new ideas and not old ideas that did not pass.

Ms. El Hajj noted that staff supports the Murphy Avenue Design Guideline update as they are in agreement that an update to the guidelines would be beneficial.

Ms. El Hajj suggested that the Commission may want to look at other cities historic preservation websites to get ideas of what other cities are doing in preservation.

Comm. Hopkins asked if the previous lists of study issues are available on the City website.

Ms. El Hajj stated, yes.

Comm. Mouritsen noted that he would talk to Jeanine Stanek about any ideas or thoughts she may have.

Chair Squellati noted that the Il Postale Restaurant has moved into the Del Monte Building. He was wondering who would be moving into the previous building.

Chair Squellati noted that there are and were many suggestions regarding Murphy Avenue, and through the years, the Historic District has been improving. He asked staff regarding the shed in the rear of the Thai Restaurant.

Ms. El Hajj stated that she believes that has been corrected.
