Location: 1111 Lockheed Martin Way (APNs: 110-01-036 and 110-01-038)
Proposed Project: Discussion and possible actions on:
MAJOR MOFFETT PARK SPECIAL DEVELOPMENT

PERMIT to demolish existing buildings and construct five eight-story buildings, two four-story parking structures, one-five-story parking structure and a two-story amenities building resulting in approximately 1.65 million square feet of office use.

DEVELOPMENT AGREEMENT Introduction of an Ordinance Approving and Adopting a Development Agreement between the City of Sunnyvale and MT II LLC (Jay Paul Company) Environmental Review: A Subsequent Environmental Impact Report (SEIR) has been prepared in compliance with California Environmental Quality Act provisions and City Guidelines.

Applicant / Owner: MT II, LLC (Jay Paul Company)

Mayor Hendricks provided comments regarding statements made by a Councilmember regarding the project. Mayor Hendricks asked Councilmember Meyering to recuse himself from voting on the CEQA and SVP portion of the item.

Councilmember Meyering declined to recuse himself.

Mayor Hendricks stated it is the City's position that Councilmember Meyering should be recusing himself.

Community Development Director Trudi Ryan provided the staff report. Director of Public Works Manuel Pineda provided additional information.

Public Hearing opened at 8:26 p.m.

Applicant Jay Paul provided information about the project. Architect Tom Gilman, DES Architects, provided additional information.

Susan Kariya expressed concerns regarding the legacy being left and regarding the impacts of new office towers on parking and traffic on Wolfe and Mathilda, and increased unaffordable housing rental prices.

Lynn Relyea expressed concern regarding overdevelopment without infrastructure and regarding the traffic demand management program.

Sue Muller-Robb spoke in opposition to the project citing inadequate infrastructure for traffic, parking and bicycle safety, and spoke regarding sewer odors in the area, lack of affordable housing and income disparity.

Charles Cegelski spoke regarding the inadequacy of traffic infrastructure, citing the inability to safely enter and exit the Orchard Gardens Park neighborhood.

David Wessel spoke regarding housing unaffordability related to the 9,000 jobs that will bring in people from outside the city. Wessel expressed concerns regarding the additional impacts to air quality and stated the city needs to address jobs/housing inequality.

John Cordes requested no approval of Alternative 1 and the Special Development Permit, citing increased traffic. Cordes stated the need to change processes for large development to prevent increasing greenhouse gasses and increased traffic, and stated the importance of charging appropriate traffic impact fees to support projects.

Dave Jones expressed concerns regarding planning for transportation demand management and stated eight intersections will be significantly impacted by traffic, and expressed concerns regarding notification of consideration of the project.

Peter Cirigliano spoke in support of the design of the project and provided comments regarding a letter to the editor by a Councilmember.

Applicant Jay Paul provided closing comments. Architect Tom Gilman responded to comments made by members of the public.
