Lakewood Branch Library and Learning Center Feasibility Study Update

The joint study session is to provide an opportunity to learn about the work that has been done to date with the Sunnyvale School District regarding a joint use Lakewood Branch Library and Learning Center. The parties have identified four potential sites to study that are of mutual interest. A preliminary overview of the opportunities and challenges of these sites will be presented. Staff is seeking input from the Council, Parks and Recreation Commission and Board of Library Trustees as to whether the project team should evaluate one or more of the locations.
