### **SUBJECT**

Adopt Ordinance Nos. 3060-15 Repealing and Reenacting Chapter 8.16 (Solid Waste Management And Recycling) of Title 8 (Health And Sanitation); 3061-15 Amending Certain Sections of Chapter 10.04 (General Provisions) of Title 10 (Vehicles And Traffic); and 3062-15 Amending Certain Sections of Title 12 (Water And Sewers) of the Sunnyvale Municipal Code.

On September 15, 2015, Ordinance Nos. 3060-15 (Health and Sanitation), 3061-15 (Vehicles and Traffic), and 3062-15 (Water and Sewers) were introduced by Council, and are now scheduled for adoption. In finalizing Ordinance No. 3062-15 entitled "Amending Certain Sections of Title 12 (Water and Sewers) of the Sunnyvale Municipal Code" for adoption, a clerical error in the section numbering was discovered. Section 12.28.050 was incorrectly numbered, and is now renumbered to Section 12.28.197 to reflect the correct section number. There were no substantive changes to the language of the provision; nor any changes to the other ordinances.

### **RECOMMENDATION**

Adopt Ordinance Nos. 3060-15, 3061-15, and 3062-15.
