MEMORANDUM TO THE PARKS AND RECREATION AND ARTS COMMISSION

SUBJECT

Review of Fiscal Year 2016/17 Recommended Budget

Each year all City boards and commissions are asked to review the City's Recommended Budget and Resource Allocation Plan before it is reviewed by Council. The Commission may provide comments on the portions of the budget that fall within its purview to Council via the meeting minutes. As the budget consists of several very lengthy documents, staff has attached an excerpt of the budget documents that includes all of the Parks and Recreation Commission and Arts Commission related pages in one file, for your convenience (**Attachment 1**).

Commissioners may review the entire FY 2016/17 Recommended Budget on the City's website if desired, at: budget.insunnyvale.com <<http://budget.insunnyvale.com/>>
