REPORT TO COUNCIL

SUBJECT

Endorse the Slate of Candidates for the League of California Cities Peninsula Division Executive Committee 2016-17 Election of Officers

BACKGROUND

Each year the League of California Cities' Peninsula Division (Division) holds an election of Division officers at the League of California Cities' annual conference. Any incorporated city in the counties of San Francisco, San Mateo, and Santa Clara is eligible for membership in the Division. A Division member city is represented by its municipal officers. Each member city is entitled to one vote for each position.

EXISTING POLICY

Council Policy 7.3.1 *Legislative Management - Goals and Policies*

Goal 7.3C: Participate in intergovernmental activities, including national, state, and regional groups, as a means to represent the City's interests, influence policy and legislation, and enhance awareness.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" with the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378 (b) (5) in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

DISCUSSION

The Division has several functions, including:

- To conduct periodic meetings of city officials to discuss municipal problems, opportunities and legislative / governmental issues;
- To share knowledge relating to municipal government by all appropriate means and to increase interest and involvement among city officials;
- To assist the officials of the League of California Cities in formulating policies and rendering service by expressing to said League by duly adopted resolutions the recommendations of this Division; and
- To assist the representatives of the League of California Cities in formulating policies with respect to legislative matters, promoting sound legislation and opposing measures not viewed to be in the best interests of the cities.

The Division role in assisting the League of California Cities' officials in formulating policies is

important. It is also a key method towards ensuring that the City's position on legislative matters is communicated. Local area representation on this body should be a priority in the City's intergovernmental and advocacy efforts.

To assist Council in casting its vote, staff is presenting this report with the proposed slate of candidates for Division officer positions for Council consideration and action. For reference, Council may review the *LCC Peninsula Division 2016-2017 Executive Committee Officers Ballot* (Attachment 1).

The City may vote for ONE candidate in each officer position as stated in the *bylaws of the Peninsula Division, League of California Cities, Article III, Section 3*, as follows:

"The membership of the Division shall be represented therein by the municipal officers of member cities. Active participation in the deliberations of the Division and voting on any question shall be confined to member municipalities. The representatives of each member city shall collectively cast one vote. Votes cast on questions affecting municipal policy reflect the opinion of the Division, and do not commit individual cities to the decision."
