A taxicab franchise application and required fees have been received from Yellow Checker Cab Co., Inc. DBA Checker Cab and Rainbow Cab.

There are currently five valid taxicab companies franchised to operate within the City of Sunnyvale. They are: Checker Cab/Rainbow Cab, California Cab, Green Cab, Silicon Valley Cab, and Orange Cab.

Yellow Checker Cab Co., Inc. DBA Checker Cab and Rainbow Cab acknowledges and accepts the requirements of the Sunnyvale Municipal Code as well as the City's taxicab franchise agreement. Yellow Checker Cab Co., Inc. EXISTING POLICY

General Plan

Chapter 3: Land Use and Transportation (LT)

Goal LT-5: Effective, Safe, Pleasant and Convenient Transportation - Attain a transportation system that is effective, safe, pleasant and convenient

Policy LT-5.5: Support a variety of transportation modes

The term "non-exclusive franchise" as used in the Sunnyvale Municipal Code means that the city does not limit the number of like franchises in operation at one time. If an applicant meets the provisions as outlined in the Sunnyvale Municipal Code, then the franchise to operate a taxicab service may be awarded by City Council.

The City's non-exclusive franchise requirements are derived from Sunnyvale Municipal Code Chapter 5.36. It is unlawful to operate any taxicab in the City unless the owner applies for and obtains a franchise to do so. The City Council may deny a franchise to any applicant if:

1. The applicant has been convicted of certain criminal offenses.
2. The proposed color scheme or other insignia may tend to confuse the identification with other franchises already operating within the city.
3. The applicant has been in violation of any law or municipal code regulation relating to the conduct of a taxicab business.

4. The applicant has had a taxicab license revoked or suspended in the City of Sunnyvale or any other jurisdiction within five years prior to the date of application.
5. Any other reasonable cause exists which, within the City Council's sound discretion, would render the proposed operation undesirable to the City of Sunnyvale.

A franchise may be awarded for a term of two years, with an option for the Director of Public Safety to approve up to two, two-year extensions for a franchisee that is in good standing. At the expiration of the total term, a new franchise must be approved by the Council under the provisions of Sunnyvale Municipal Code Chapter 5.36.

ENVIRONMENTAL REVIEW

The action being considered is exempt from the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15061 (b) (3) as the activity is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.

DISCUSSION

Yellow Checker Cab Co., Inc. DBA Checker Cab has previously operated with a valid franchise agreement, which was awarded on by City Council on February 24, 2015.

On February 6, 2017, staff notified the franchise owner of the impending expiration of the franchise agreement. Notification of expiration is intended to give franchisees ample time to submit an application, and staff to review the application, prior to the expiration of a franchise. It is normally done 90 days prior to the expiration; in this instance, staff workload caused a delay in notification, as the agreement was effective on March 15, 2015 and expired on March 14, 2017.

The franchisee timely requested and was allowed, pursuant to section 5.36.120 of the Sunnyvale Municipal Code, to continue operations under the terms of the March 2015 - March 2017 franchise until City Council could take action on a new franchise. The Director of Public Safety authorized extension of the franchise agreement on February 27, 2017; the franchise is therefore in effect until Council makes a determination based on this report.

Yellow Checker Cab Co., Inc. DBA Checker Cab and Rainbow Cab submitted an application to renew the franchise agreement on February 24, 2017. The application contained the information and documentation captured in the table below to demonstrate compliance with the criteria identified in Sunnyvale Municipal Code Chapter 5.36. Staff conducted a review of the information provided by the franchise owner, and upon confirmation that the application was complete, scheduled a public hearing in accordance with Sunnyvale Municipal Code Section 5.36.060.

DBA Checker Cab and Rainbow Cab has provided a valid certificate of insurance with liability coverage provided by General Star Indemnity and Scottsdale Insurance Company that names the City of Sunnyvale as additional insured. Staff reviewed the Certificate of Insurance and found that the coverage provided meets the requirements of the Sunnyvale Municipal Code. The franchise is currently in good standing and has not incurred any non-compliance penalties nor failed to comply with the provisions of operating a taxicab franchise pursuant to Sunnyvale Municipal Code Chapter 5.36.

The proposed term for the franchise is May 15, 2017 through May 14, 2019, with the option for the Director of Public Safety to approve two, two-year extensions pursuant to Sunnyvale Municipal Code Section 5.36.120 if the franchise is in good standing, for a total possible term through May 14, 2023.

FISCAL IMPACT

Franchise fees, vehicle fees, and driver permit fees are calculated based on full cost recovery; the fiscal impact of awarding a taxicab franchise is therefore predictably nominal, and can be absorbed in the General Fund.
