MEMORANDUM TO HOUSING AND HUMAN SERVICES COMMISSION

SUBJECT

Review of Fiscal Year 2017/18 Recommended Budget

Each year all City boards and commissions are asked to review the City's Recommended Budget before it is reviewed by Council. The Commission may provide comments on the portions of the budget that fall within its purview to Council via the meeting minutes. As the budget consists of several very lengthy documents, staff has attached an excerpt of the budget documents that includes all of the Housing and Human Services-related pages in one file, for your convenience (Attachment 1).

Commissioners may review the entire FY 2017/18 Recommended Budget on the City's website if desired, at: Budget.inSunnyvale.com
