The 2019 conference is October 16-18, 2019 at the Long Beach Convention Center. The Peninsula Division meeting and swearing in of the Executive Committee will be on Friday, October 18.

DISCUSSION

Staff is presenting this report with the proposed slate of candidates for Division Executive Committee Officer positions for Council consideration in casting its one vote for each position as a member city. For reference, Council may review the LCC Peninsula Division Ballot 2019-2020 (Attachment 1).

The Division has several functions:

1. To conduct periodic meetings of city officials to discuss municipal problems, opportunities and legislative/governmental issues;
2. To share knowledge relating to municipal government by all appropriate means to increase interest and involvement among city officials;
3. To assist the officials of the League in formulating policies and rendering service by expressing to said League by duly adopted resolutions the recommendations of this Division; and
4. To assist the representatives of the League in formulating policies with respect to legislative

matters, promoting sound legislation and opposing measures not viewed to be in the best interest of cities.

The City may vote for one candidate in each officer position. As there is only one nomination for each slot this year, the ballot has been pre-filled.
