REPORT TO PLANNING COMMISSION

SUBJECT

Selection and Ranking of Potential 2020 Study Issues

REPORT

Attached is a list of Study Issues the Planning Commission will review for 2020. The list includes:

- Two (2) new CDD Study Issues; and
- Nine (9) Study Issues that were deferred/below the line in 2019.

The Study Issue papers can be found on the City's website at the following link:

At the hearing on January 27, 2020, the Planning Commission will recommend to the City Council whether an item should be ranked, deferred, or dropped (or "no recommendation", if so desired). The Planning Commission will then rank the items not recommended for deferral, dropping, or no recommendation per the City's ranking policy. The Planning Commission's recommendations will be transmitted to the Council as input for the decisions on the potential Study Issues.

The annual City Council public hearing on potential study issues and budget issues for calendar year 2020 was held on Tuesday, January 14, 2020. The City Council will rank the study/budget issues at the Council Workshop on Thursday, February 27, 2020.
