REPORT TO COUNCIL

SUBJECT

Adopt a Resolution Amending the City of Sunnyvale Local Conflict of Interest Code

BACKGROUND AND DISCUSSION

The Political Reform Act requires that every state and local agency adopt a local conflict of interest code that identifies all officials and employees within the agency who make governmental decisions based on the positions they hold. Those individuals in the designated positions must then disclose their financial interests as specified in the agency's conflict of interest code.

Every local government agency is required to review its Conflict of Interest Code biennially to determine if the Code is accurate, or alternatively, that the Code must be amended. Amendments are necessary to include new qualifying positions which have been added to or delete obsolete positions from the City's classification plan and salary resolution, to revise titles of existing positions, or to revise disclosure categories.

The City's Conflict of Interest Code applies to the City, as well as designated "City agencies" (i.e., the Successor Agency to the Former Redevelopment Agency of the City of Sunnyvale and the Sunnyvale Financing Authority) and their officers and employees.

The City's Conflict of Interest Code was last amended on November 13, 2018 (Resolution No. 905-18). Consistent with requirements of the Political Reform Act, the City conducted a biennial review of its Conflict of Interest Code and determined that an amendment is necessary to reflect various changes to classifications that have occurred in the last two years.
