Housing and Human Services Commission Proposed Study Issues, Calendar Year: 2022

Proposed Study Issues*

Date	Working Title	Summary of Scope	Staff Comments
7/14/21	Housing Affordability Speakers Series	The Housing and Human Services Commission proposes a new city-sponsored speaker series. This affordable housing speaker's series will allow our Sunnyvale community to conceptualize plans and help determine the best "Sunnyvale Way" to handle growth in a sustainable way while maintaining the core character of the city.	Establishing a 'Housing Affordability Speaker Series' could be a great opportunity to share best practices and upcoming opportunities in affordable housing development, rehabilitation, and preservation. Similarly to the Sustainability Series, these events would be open to the public.

*The study issues have been proposed for future sponsorship

Toward the end of the calendar year, no later than October, boards and commissions will review the list of proposed study issues and officially vote on sponsorship for each individually listed study issue. Official sponsorship means that the study issue is approved for ranking with a majority vote of the board or commission. Staff will then prepare the sponsored study issue papers, including fiscal impact **but not** the staff recommendation.
